These personnel are scheduled as such to ensure a minimum of two staff members on campus twenty-four (24) hours a day, seven (7) days a week, while school is in session. Policy governing visitation in the residence halls has been developed and published in the *College Catalog/Student Handbook*. Information concerning this policy is also posted in the lobbies and at all outside entrances in each residence hall.

Door propping is strictly prohibited. Violators of security policies are subject to disciplinary actions. Residents are encouraged to report any maintenance deficiency to the residential coordinator. Residents are encouraged to always lock their door when leaving, even if they are going down the hall. Additionally, residents are encouraged to carry some form of personal property insurance.

Residential Visitation Policy:

The residence lobby is for the use and convenience of students and their dates or invited guests. This area is not designed for unscheduled group activities. Persons in the lobby creating unnecessary noise will be in violation of college regulations and will be required to leave. Lobby visitation is permitted from 8:00 a.m. to 6:00 p.m. daily. Residents and non-residents may visit in the rooms of residents of the same sex daily from 8:00 a.m. to 11:00 p.m. **All non-resident must sign-in and out at the desk in the lobby.**

C. CAMPUS LAW ENFORCEMENT POLICIES AND PRACTICES

Southern Union security services are provided by Dothan Security Services, Inc. (DSI). DSI security officers have the authority to ask a person for identification and to determine whether individuals have lawful business at Southern Union. Security officers have the authority to issue parking tickets which are billed to the financial accounts of students, faculty and staff. The officers do not possess arrest power. They enforce the student code of conduct as published in the *College Catalog/Student Handbook* and are alert to violations of local, state, and federal laws which are reported to the local police department. College security personnel and local law enforcement agencies share information on a regular basis. Campus security officers have the capability of radio communication with local police at all times. Security personnel are required to file a report within twenty-four (24) hours of the occurrence criminal or emergency incident. The Security officers are expected to maintain highly professional working relationships with the local police departments both city and county. All crime victims and witnesses are strongly encouraged to immediately report the crime to campus security and the appropriate police agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics. All incident reports are forwarded to the security supervisor and then the Dean of Students office for review, follow up and potential action from the College.

D. CAMPUS PROGRAMS ON SECURITY AND SAFETY

All students, faculty, and staff are provided information concerning campus security procedures and practices through publications, forum, orientation, residence hall meetings, and special presentations.

E. CRIME PREVENTION PROGRAMS FOR STUDENTS AND EMPLOYEES

Crime prevention demands constant interaction and outreaching to students, faculty and staff. Southern Union's crime prevention program emphasizes community awareness and interaction through the dissemination of materials and presentations focused on informing students, faculty and staff about their responsibilities in reducing criminal opportunity. Crime prevention, personal safety and theft prevention information was presented during the pre-college orientation sessions. The Residential Life program provide a series of programs and information addressing topics such as personal safety, drug awareness, domestic violence, sexual assaults, identity theft, community and campus safety. Additionally, campus safety tips are posted on the campus security web site at www.suscc.edu.

In the Fall Semester Professional Development Meetings, Elijah Christian of DSI, conducted a workshop on emergency preparedness to all faculty and staff. Various programs are sponsored by student organizations throughout the year.

OFF CAMPUS ACTIVITY POLICY

A student is subject to disciplinary action by the College, up to and including dismissal, for misconduct occurring on any property owned or controlled by the College, or off campus at any function which is authorized, sponsored or conducted by the College, or in parking lots adjacent to areas or buildings where College functions are being conducted.

SEX OFFENSE

The College educates the student community about sexual assaults and date rape through the mandatory freshmen and transfer pre-college orientations each fall. Additional informational sessions are provided through student activities and residential life departments. Campus Security offers sexual assault information to students, staff and faculty upon request.

If you are advised the victim of a sexual assault at this institution, the first priority is your safety. You are advised to obtain medical attention. The incident should be reported to officials in a timely manner. Filing a report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. The report is intends to:

1. Ensure the victim receives the necessary medical treatment.
2. Institute an investigation and collection of evidence.
3. Provide a referral for confidential counseling.

Additional disciplinary guidelines are detailed in the student handbook/code of conduct.

SOUTHERN UNION STATE COMMUNITY COLLEGE

Sexual Assault Prevention and Response

Southern Union educates the student community about sexual assaults and date rape through mandatory freshman orientations each fall. The Wadley, Opelika, and Valley Police Departments offer sexual assault education and information programs to college students and employees upon request. Literature on date rape education, risk reduction, and college response is available through the Coordinator of Student Living.

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The local law enforcement strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a Security Officer and/or to the Coordinator of Student Living. Filing a police report with a Security Officer will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- › ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim
- › provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam)
- › assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a sexual assault victim contacts the Coordinator of Student Living the local enforcement will be notified as well. The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system and the College Judiciary Committee, or only the latter. A representative from the Police Department or the Office of the Coordinator of Student Living will guide the victim through the available options and support the victim in his or her decision. The College's Campus Security offers sexual assault information to students, staff and faculty upon request. Counseling and support services outside the College system can be obtained through Cheaha Mental Health Center, Randolph County Health Department, Lee County Health Department, Valley County Health Department and the Rape and Sexual Abuse Center.

College disciplinary proceedings, as well as special guidelines for cases involving sexual misconduct, are detailed in the *Student Handbook*. The *Handbook* provides, in part, that the accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Both the victim and accused will be informed of the outcome of the hearing. A student found guilty of violating the College's sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the College for the first offense. Student victims have the option to change their on-campus living situations after an alleged sexual assault, if such changes are reasonably available.

Conviction, as defined in Public Law 100-690, shall mean "a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both.

In the event of a report of a conviction, where the employee is working in a project or program funded through a Federal contract or grant, Southern Union State Community College shall notify in writing within ten (10) days any Federal agency to which such notification by Southern Union State Community College is required under Public Law 100-690.

Southern Union State Community College shall also reserve the right to require said employee, as a condition of continued employment, to satisfactorily complete a drug treatment or rehabilitation program of a reasonable duration and nature.

Southern Union State Community College shall make a good faith effort to ensure that paragraphs 1-6 above are followed. Each employee of Southern Union State Community College shall receive a copy of this policy.

LEGAL SANCTIONS – (FEDERAL, STATE AND LOCAL LAW)

Legal sanctions under local, state and federal law for unlawful possession, use, or distribution of illicit drugs and alcohol include imprisonment and fine. A listing of penalties for specific offenses can be found in the Titles 13A and 28 of the Alabama Code, available in the Campus Security, Dean of Students and Dean of Student Development, the library and the Southern Union Web page.

Health Risk Associated with the Use of Illicit Drugs and the Abuse of Alcohol

1. Alcohol – Alcohol consumption causes a number of changes in behavior and physiology. Even low doses significantly impair judgment, coordination, and mental functioning. Statistics show that alcohol use is involved in a majority of violent behaviors on college campuses (e.g., acquaintance rape, vandalism, fights, and incidents of drinking and driving). Continued abuse may lead to dependency. alcohol abuse often causes permanent damage to vital organs and deterioration of a healthy lifestyle.
2. Marijuana – The use of marijuana may impair or reduce short-term memory and comprehension, alters sense of time, and reduces coordination and energy level. Marijuana users often have a lowered immune system and an increased risk of lung cancer. SUH is an active ingredient in marijuana and is stored in the fatty tissues of the brain and reproductive system for a minimum of 28 to 30 days.
3. Hallucinogens – Lysergic acid (LSD), mescaline, and psilocybin cause illusions and hallucinations. Users may experience panic, confusion, suspicion, anxiety, panic, and loss of control. Delayed effects, or flashbacks, can occur even when use has ceased. Phencyclidine (PCP) affects the section of the brain that controls the intellect and keeps instinct in check. Because PCP blocks pain receptors, violent PCP episodes may result in self-inflicted injuries.
4. Cocaine/Crack – Cocaine users often have a stuffy, runny nose, may have a perforated nasal septum, experience restlessness, demonstrates pressured speech, and has hypertension. The immediate effects of cocaine use include dilated pupils and elevated blood pressure, heart rate, respiratory rate, and body temperature. Depression episodes often follow cocaine/crack use. Crack, or freebase rock cocaine, is extremely addictive and can cause delirium, hallucinations, blurred vision, severe chest pain, muscle spasms, convulsions and even death.
5. Amphetamines – Amphetamines can cause a rapid or irregular heartbeat, tremors, loss of coordination, collapse, and death. Heavy users are prone to irrational acts.
6. Heroin – Heroin is an opiate drug that causes the body to have diminished pain reactions. The use of heroin can result in coma or death due to a reduction in heart rate.
7. Methamphetamine – Methamphetamine is a powerful addictive stimulant that dramatically affects many areas of the central nervous system. The drug can easily be made in clandestine laboratories from relatively inexpensive over-the-counter ingredients and can be purchased at a relatively low cost. These factors make methamphetamine a drug with a high potential for widespread abuse. Methamphetamine is sometimes referred to as “speed,” “meth,” and “chalk.” In

its smoked form it is often referred to as “ice,” “crystal,” “crank,” and “glass.”
