According to the Alabama Department of Public Health, Emergency Medical Services Division and the National Registry of Emergency Medical Technicians, application for licensure in Alabama to practice as an Emergency Medical Technician or Paramedic may be denied if a person has been convicted of a felony, is guilty of a crime involving moral turpitude, and/or has displayed other grounds for denial as specified by law. Additionally, many health care facilities will not employ a person, even if fully certified and/or licensed, who has been convicted of a felony or who has unfit personal habits including alcohol or drug abuse.
