**These costs are an estimate.** Your particular costs will vary depending upon whether you have already completed academic courses and have health insurance. The \$524 annual fee for health insurance is only required if you are not covered under a health insurance policy. You are required to submit proof of health insurance coverage before enrolling in EMS courses. The costs for immunizations, blood titers and physical examinations are not included in the total cost. Textbook costs can be reduced by purchasing used or rental books.
