Sincerely,

Class of Fall 2023
Students, Faculty, and Staff

“You get a strange feeling when you are about to leave a place. You will not only miss the people you love, but you will miss the person you are now, at this time and this place, because you will never be this way ever again. But you are excited for the person you are swimming towards and look forward to the new you that awaits in the distance.”

- Azar Nafisi
