

## Path to the Plains Majors and their Math Eligibility Requirements

Accounting / Pre-Business	MTH 120 - Calculus & its Applications
Agricultural Business & Economics	MTH 120 - Calculus & its Applications
Agricultural Communications	MTH 112 - Precalculus Algebra
Agricultural Science	MTH 113 - Precalculus Trigonometry
Agriscience Education (College of Education)	MTH 112 - Precalculus Algebra
Animal Sciences - Animal Industries	MTH 113 - Precalculus Trigonometry
Animal Science - Pre-Veterinary and Biosciences	MTH 113 - Precalculus Trigonometry
Applied Biotechnology	MTH 113 - Precalculus Trigonometry
Architecture - Summer Design	MTH 115 or MTH 125
Aviation Management	MTH 113 - Precalculus Trigonometry
Biological and Agricultural Technical Management	MTH 125 - Calculus I
Biosystems Engineering	MTH 125 - Calculus I
Crop & Soil Sciences	MTH 112 - Precalculus Algebra
Early Childhood and Elementary Education (Coll. of Ed.)	MTH 110 or MTH 112*
English Language Arts Education (College of Education)	MTH 110 or MTH 112*
Environmental Conservation Management	MTH 113 - Precalculus Trigonometry
Environmental Science	MTH 125 - Calculus I
Exercise Science/Performance and Health Optimization	MTH 113 - Precalculus Trigonometry
Exploratory	MTH 110 or MTH 112* or higher
Forestry	MTH 113 - Precalculus Trigonometry

\*MTH 112 recommended

## Path to the Plains Majors and their Math Eligibility Requirements

General Science Education (College of Education)	MTH 125 - Calculus I
Geospatial Information Science	MTH 125 - Calculus I
Health Services Administration	MTH 120 or 125 - Calculus
History / Social Science Education (College of Educ.)	MTH 112 - Precalculus Algebra
Horticulture	MTH 112- Precalculus Algebra
Horticulture - Fruit and Vegetable Production	MTH 112- Precalculus Algebra
Hospitality Management	MTH 112- Precalculus Algebra
Human Development and Family Science	MTH 112- Precalculus Algebra
Industrial Design	MTH 112- Precalculus Algebra
Industrial and Systems Engineering	MTH 125 - Calculus I
Mathematics Education (College of Education)	MTH 125 - Calculus I
Parks and Recreation Management	MTH 113 - Precalculus Trigonometry
Poultry Science Production	MTH 113 - Precalculus Trigonometry
Pre-Communication	MTH 110 or MTH 112*
Pre-Film and Media Studies	MTH 110 or MTH 112*
Pre-Health - College of Science and Mathematics	MTH 125 - Calculus I
Pre-Journalism	MTH 110 or MTH 112*
Pre-Nursing	MTH 112- Precalculus Algebra
Pre-Public Relations	MTH 110 or MTH 112*
Pre-Veterinary ((Microbiology Pre-Vet and Organismal Biology Pre-Vet) - College of Science and Mathematics	MTH 125 - Calculus I

\*MTH 112 recommended

## Path to the Plains Majors and their Math Eligibility Requirements

Public and One Health	MTH 125 - Calculus I
Rehabilitation and Disability Studies	MTH 112 - Precalculus Algebra
Social Work	MTH 110 or MTH 112*
Software Engineering	MTH 125 - Calculus I
Speech, Language, and Hearing Sciences	MTH 110 or MTH 112*
Sustainable Packaging	MTH 113 - Precalculus Trigonometry
Theatre (all Theatre options)	MTH 110 or MTH 112*
Wildlife Ecology and Management	MTH 113 - Precalculus Trigonometry
Wildlife Enterprise Management	MTH 113 - Precalculus Trigonometry

\*MTH 112 recommended
