Note: SUSCC classes may be taken in any semester if prerequisites are met.

\*The percentage of AU majors requiring these classes are as indicated. Exploratory is not ideal for students interested in pursuing majors in the Colleges of Engineering or Architecture. These colleges have been excluded from the AU Majors percentages.

\*\*Students who decide to pursue a major offered through Path to the Plains (P2P) may be able to transfer into that pathway beginning third semester. Students who decide to pursue a major that is not offered through P2P may apply to transfer to AU any time following the second semester.

\*\*\*Many institutions prefer that a sequence of history, literature, or science be completed at the same college. Refer to STARS Guide.

∞Consult with an academic advisor and/or refer to STARS Guides at <http://stars.troy.edu> for information for your transfer college.

†Social Science options include economics, psychology, geography, political science, and sociology. Refer to STARS Guide.
