301 Lake Condy Road
Opelika, Alabama 36801

According to the American Registry of Radiologic Technologists, application for certification to practice as a CT or MRI technologist may be denied if a person has been convicted of a felony, is guilty of a crime involving moral turpitude, and/or has displayed other grounds for denial as specified by law. Additionally, many health care facilities will not employ a person, even if fully certified and/or licensed, who has been convicted of felony or who has unfit personal habits including alcohol or drug abuse.
