## Degree Earned

Associate in Applied Science

## Length of Program

3 Semesters (66 semester hours of which 20 semester hours of prerequisite course work are required for admission)

## Credentials Earned

**Registered Nurse** following successful passage of the National Council Licensure Examination for Registered Nurses (NCLEX-RN)

\* Classes in **bold** may be taken prior to entering nursing or taken in consecutive nursing semesters.

## **Admission:**

Opelika Campus - classes are admitted one time per year, spring semester

## **Submission deadline for online application:**

Month of September only for spring admission

## **Admission Requirements:**

**Notice:** Admission requirements and procedures may change without prior notice. Please check with Health Sciences Division and/or website for updates.

**In addition** to the general admission requirements of the College, application to the Paramedic to Associate Degree Nursing Mobility Program requires **ALL** of the following:

1. An unencumbered or non-restricted license as a Paramedic in Alabama.
2. Unconditional admission to SUSCC.
3. Successful completion of a Certified Nursing Assistant (CNA) course.
4. Cumulative 2.5 grade point average (GPA) calculated on nursing required academic core courses.
5. Minimum 2.0 GPA at Southern Union if previously enrolled. Transfer students must enter the College on clear status.
6. Official transcripts in the Records Office from **ALL** post-secondary institutions attended, along with high school transcript.
7. Official score from ACT National or ACT Residual with a minimum composite score of 18. (No time limit on when the test was taken.)
8. Completion of prerequisite general education courses with a minimum grade of "C". See listing under Curriculum.
9. Submission of completed application for the Paramedic to ADN Mobility option before deadline.

## **Meeting minimal requirements does not guarantee acceptance.**

Admission to the Nursing Program is competitive and the number of students admitted is limited by the number of clinical facilities available. After meeting minimal requirements, applicants are rank-ordered for acceptance using a points system based on score from ACT National or Residual and quality points from selected college courses. Students may be eligible to earn additional points (max.10 pts.) See program application for details.

**For more information about admission to the program, contact:**

**Health Sciences Division • 301 Lake Condry Road Opelika, Alabama 36801 • (334) 745-6437 ext. 5515/5519  
healthsciences@suscc.edu**
