

DO YOU KNOW HOW TO REGISTER?

1 HOMEPAGE

Go to the Southern Union Homepage – suscc.edu

2 CURRENT STUDENT

Go to the **Current Students Tab**, and use the drop-down box to find **Class Schedule Look Up** (You will be able to see what classes are being offered for Fall Semester)

3 SEARCH BY TERM

Find the **Search by Term** drop-down menu and select fall 2022, then click **Submit**

4 SUBJECT

Look in the **Subject box** for the subject you want to take (Biology for example)

5 LIMIT SEARCH

The other boxes allow you to add more details about the classes you are looking for. For example, put "101" in the Course Number box if you are looking for a Biology 101 class. You can add information here if you want to **limit the search** by a specific instructional method (Hybrid, Online, Traditional, or All Three); campus (Online Opelika, Valley or Wadley, or Dual Enrollment for those campuses); day and time of the class; or if you are looking for a specific instructor.

6 CLASS SEARCH

Once you have added your additional search options, click on **Class Search** at the bottom of the page. (If you do not add any additional information other than the subject you are searching for, a list of all class options for that subject will appear.)

7 FIVE DIGIT CRN

Once you find the class you want to register for, look for the **five-digit Course Registration Number (CRN)** next to the title of the class, and write down it down. Once you have the classes you want to register for, you are ready to register (**Hint:** don't close your class search yet, because you may need to look for a second choice if your first class choice is full)

8 mySUSCC

When you have the classes and the CRNs you need, go back to the suscc.edu homepage and click on the **mySUSCC tab**. On the page, click the Student mySUSCC Web Portal link.

9 LOGIN

Your initial User ID is your Southern Union email (include the @mail.suscc.edu) and the default password is "ISUSCC" followed by your six-digit birthday.

Example: John Smith was born on October 12, 2002

User ID: jsmith12@mail.suscc.edu

Password: !SUSCC101202

10 PREPARE FOR REGISTRATION

Once you are logged in, click on **Prepare for Registration** (clipboard icon). Fall 2022 Registration should be there once you have moved to the page, so click "Continue".

11 YOU ARE READY

If you see all green checks under your Registration Status, then **you are ready**.

12 REGISTER FOR CLASSES

Click the **Registration tab** on the top row, and that will take you back to the previous screen. Find **Register for Classes** (calendar and pencil icon) and click on it, then click "Continue".

13 ADD TO SUMMARY

From the list of the CRNs you found when you did your class search, begin by entering the first one and then click "**Add to Summary**" (You can still search for classes if you don't have the CRNs by clicking on "**Find Classes**". It will look different than it did when you searched the Class Schedule Lookup, but the information is the same, just be sure to expand all the tabs.)

14 ADD CLASSES

Once you find the class you want to add, go to the "**Add**" button at the very right of the class and click it. Repeat this until you get all your classes added. If a class you selected is full or unavailable, you can look up other options.

15 SUBMIT

Once you get all your classes added to your schedule, click "**Submit**."

16 PAY YOUR TUITION

You are not considered fully registered until you **pay your tuition and fees**. Non-payment of your balance by the semester deadlines will cause you to be dropped from your classes.
